

THS Graduate Enters Academy

With the possibility of becoming an officer in the U. S. Navy or the Maritime service, Joseph J. Ban, 20, a Torrance High School graduate, has entered training at the Maritime Academy at Vallejo, according to his parents, Mr. and Mrs. Richard Ban, 1412 Crenshaw boulevard.

Ban attended Loyola University for a year and later worked at Columbia Steel before entering the academy for a three-year course.

New Owner Takes Over Liquor Store

Announced last week was the sale of Ralph's Liquor Store, at the corner of Grammeys avenue and Cabrillo to Noel Bakken, who formerly owned a liquor store in Dominguez.

Bakken, who is president of the Dominguez Chamber of Commerce, said the store will now operate under the name of Bakken's Liquor Store.

The store was previously owned by Albert Isen, local attorney.

The new owner said he and his wife would operate the store for the present.

Rev. England To Begin New Worship Plan

The First Christian Church will begin a new plan of worship service Sunday morning at 10:50 as a part of the observance of World Wide Communion Sunday.

The first Sunday in October has been designated for this purpose by the entire Protestant Church in the United States and the other Christian lands around the world.

The significant emphasis is to rally all the membership of the Church to the celebration of Holy Communion. The annual observance has become universal now and nearly all of the Protestant World has come to keep this sacred day signifying the unity within the diversity of Protestantism.

The pastor and choir under the direction of B. L. Brimley are to add a new feature to the worship service making it more reverent and prayerful for the worshiper, according to Rev. C. J. England.

POLICE SEEK BEE BEE GUN MARKSMEN

Police were checking this week on clues to the identity of some air rifle-toting gunners who have been practicing their marksmanship upon the windows of local residents.

Reported to Torrance police this week was a hole in the front room window of Mrs. Paul Loanger, 1448 Post avenue. The damaged window was believed to have been the maliciousness of a young group of bee-bee gun shooters.

Though not discovered for several days, the damage is believed to be the work of the same shooters who last Friday night shot a hole in the front window of Board of Education member, A. L. Jackson, 1448 Encicla avenue.

Season Ticket Plan Launched For Ball Games

Inauguration of a season ticket plan for the remaining three home games of the Torrance High School varsity football team was announced this week by members of the Athletic Boosters Club and Principal John Steinbaugh of the Torrance High School.

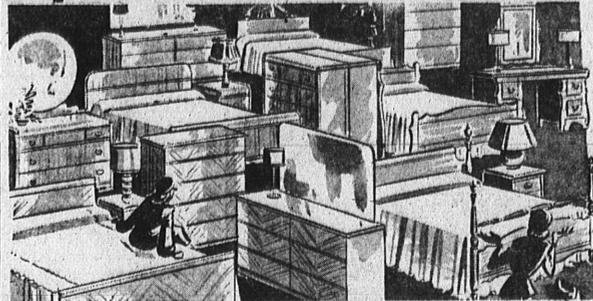

Season tickets for the three games will be sold for \$8. The tickets will entitle holders to seats in a reserved section in the stadium for the games with Santa Monica on Oct. 6, with El Segundo on Oct. 27, and with Inglewood on Nov. 17.

Tickets may be purchased at Fenwick's Shoe Repair or the Mayfair Creamery, Steinbaugh said.

The reserved section in the stadium will not include a reservation of seats by number, but a special section will be roped off and held for season ticket holders until the half, according to school officials.
